SBA Training on American Recovery Capital (ARC) Loan Program

WISCONSIN – Small businesses are invited to training sessions on America's Recovery Capital (ARC) loan program. ARC loans are interest-free to the borrower, 100 percent guaranteed by the SBA, and have no SBA fees associated with them. Beginning June 15, 2009, SBA will start guaranteeing America's Recovery Capital (ARC) loans. ARC loans are deferred-payment loans of up to \$35,000 available to established, viable, for-profit small businesses that need short-term help to make their principal and interest payments on existing qualifying debt.

Wisconsin SBA personnel will be doing the training for 4 days as phone lines are limited. If you cannot get through via the phone one day, try again the next day. Note: **You will need to call in via phone for the audio and log onto the web for the visual.**
